**RECOMMENDATION**

On December 8, 2006, Defendant appeared with counsel for the purpose of entering a plea of guilty to Count I of the indictment.<sup>1</sup> After being sworn and being fully apprised of

his right to proceed before a District Judge, Defendant consented to proceed before me. I then conducted a change of plea proceeding in accordance with the requirements of Fed. R. Crim. P. 11. The entire transcript of the proceedings, which is filed **under seal** as an exhibit, is made a part of this recommended decision. Based on those proceedings, I find that: (1) the plea is knowing, intelligent, and voluntary; (2) there is a factual basis for the plea and for each element of the offense to which Defendant has entered his plea; (3) the provisions of Rule 11 and any other provisions of the law governing the submission of guilty pleas have been substantially complied with; (4) a detailed written plea agreement has been executed by Defendant, Defendant's counsel and counsel for the United States and placed in the Court file; and (5) there are no agreements or stipulations other than the written plea agreement.

I therefore recommend to Judge James M. Moody that he accept the guilty plea and find Defendant guilty of the crime to which Defendant tendered his guilty plea and that the Judge accept the written plea agreement, understanding that such acceptance is subject to the provisions of the United States Sentencing Guidelines that "The Court is not bound by the stipulation, but may, with the aid of the presentence report, determine the facts relevant to sentencing."

Dated this 19th day of January, 2007.
